

ANGELS NEEDED!

Become a patron of Simon Welsh Poetry

Not that long ago, artists had patrons who kept them and their families in food, housing and artistic materials. This allowed them to share their art with the world. We don't really have this anymore.

I am looking to raise £12,000 to get a 2nd edition of *Magic happens* and a first edition of *All hail the 21st century* printed at the same time. The books will be hard back and beautifully set, with an audio CD inserted at the back.. a beautifully made hand stitched collectable.

If many people invest a small but generous sum, this figure can be reached in no time...

I am not asking to borrow money - I am inviting you to be a patron of the arts, and of my work specifically, supporting me to get the message of truth and love out into the world through poetry.

Thanks so much for your consideration and support,

Simon.

Please see overleaf for further details.
